

# DENATIONALIZE.ME

BECAUSE YOUR LIFE IS YOURS

ASPECTS	denationalize.me PT-PACKAGE (US + NEVIS + PARAGUAY)	CYPRUS LIMITED PARTNERSHIP	DUBAI	MALTA
Costs	7300 USD (1550\$ discount for package deal)	Just under 30.000 €	About 7.000 - 10.000 USD	About 2.500 - 5.000 € for incorporation
Minimum Stay	No minimum stay in Paraguay, short visit required every 3 years	2 months	At least 183 days	No minimum stay, but residency status brings tax advantages
Tax Advantages	Tax exemption in US and Nevis, foreign income not taxed in Paraguay	12.5% corporate tax, 2.6% health insurance	Partially tax-free up to a certain sales threshold	Effective tax of about 5% after refund, but specific requirements
Bureaucratic Requirements	Combines requirements of US, Nevis and Paraguay (e.g., 2 short stays in Paraguay, remote employees with US LLC).	12-month lease, numerous double taxation agreements	Accounting requirement, renew visa every 180 days	Required annual reports, EU policies
Asset Protection	Asset protection through Nevis holding, separation between companies recommended	Standard asset protection of an EU member	High legal security and discretion	Standard EU asset protection
Anonymity	High anonymity through Nevis holding	Limited by EU regulations	Limited by UAE regulations	Limited anonymity due to EU regulations
Access to Banks & Stock Exchanges	Access to business accounts in the Caribbean, crypto exchanges & brokers.	Access to EU-compliant banks and stock exchanges	Limited access, but with an international orientation	Access to EU-compliant banks and stock exchanges
Additional Information	Consider the Corporate Transparency Act from 2024, Paraguay does not participate in international exchange of information	Growing popularity among entrepreneurs, but watch out for EU regulations	Business-friendly environment, but high cost of living	Attractive due to dividend refund system (dividend refund process resulting in an effective tax of about 5%).
